

JOIN OUR FREE STUDIO PROGRAMS

ADVANCED PORTFOLIO

Advanced Portfolio is for students looking to refine their existing portfolio for art school. Students will explore advanced techniques, gain access to premium art materials, receive 1:1 support for portfolio development, and art institution application support.

----Runs October 17 2022 - March 27 2023

MONDAY
4 - 7:00 PM

INTRODUCTION TO PORTFOLIO

In Portfolio Intro students create artwork for college admission and scholarships by learning fundamental studio skills and exploring their personal voice. Students learn to document/edit their work with additional college prep opportunities.

----Runs October 18 2022 - March 28 2023

TUESDAY
4 - 6:00 PM

VOICES HER'D FALL

Join a group of young women exploring gender justice, and creating art with mixed mediums. Youth in this group will automatically be accepted into the STARS Girls initiative, collaborating with young women from across New York City.

----Runs October 18 2022 - March 28 2023

TUESDAY
4 - 6:00 PM

PRINT POWER

Print Power introduces youth to the Groundswell community, mission, and use of art as social justice. Students will engage in radical printing and designing, and exploring ways to use public space as gallery space.

----Runs October 19 2022 - March 29 2023

WEDNESDAY
4 - 6:00 PM

DIGITAL JUSTICE

Digital Justice offers an introduction to Adobe Cloud Softwares and a space to explore digital tools from social justice lens. Students will get to utilize these tools to raise awareness around campaigns and important topics to them.

----Runs October 20 2022 - March 30 2023

THURSDAY
4 - 6:00PM
